Projects

AI IMAGE GENERATOR

[Source Code](#)

- Developed with **React.js** using modern frontend technology to build an interactive and responsive application for generating creative images.
- Integrated OpenAI's API to generate high-quality images based on dynamic user inputs.
- Implemented features allowing users to describe their desired images, with real-time previews and loading states

MODERN CHAIR

[Source Code](#)

- Modern Chair is a visually appealing and responsive web project that showcases modern furniture design through high-quality imagery and clean, semantic HTML5 and CSS3 code.
- The project demonstrates proficiency in front-end web development by implementing a user-friendly interface optimized for various devices and screen sizes.
- Reflects strong attention to detail in layout design, typography, and color coordination to create a cohesive and modern aesthetic.

RESPONSIVE BLOG PAGE UI/UX DESIGN — FIGMA

[View Project](#)

- Designed a full-scale blog page in Figma, demonstrating expertise in UI/UX fundamentals such as layout, visual hierarchy, and white space management.
- Utilized Figma's prototyping features to simulate user interactions and present a realistic, clickable preview of the final web experience.
- Built reusable design components and maintained a structured design system, facilitating faster iterations and smoother handoffs to developers.

Technical Skills

Technical Skills: HTML, CSS, JavaScript, Bootstrap, Python, Java.

Clouds & Databases: MySQL.

Frameworks/Tools: VScode, Github, Jira, Figma, Canva, Sketch, Adobe XD, Excel, Power BI, Tableau.

Design Skills: Wireframing, High-Fidelity Prototyping, User Flows, Visual Hierarchy, Typography, Responsive Design, Design Systems.

User Research: Basic knowledge of usability testing, persona creation, and heuristic evaluation.

General Skills: Project Management, Data Analysis, UI/UX Designing.

Achievements

- **GeeksForGeeks:** College Rank 540
- Solved **70+** Coding + SQL Problems on GeeksForGeeks and **LeetCode**.
- As a NSS club member, volunteered in Blood donation camp VIT Bhopal
